FREQUENTLY ASKED QUESTIONS

What is this site?

Mysextinglive.com is an interactive social website for adults, offering partly erotic content. The operator operates the website as an intermediary, pursuant to the provisions of Act CVIII of 2001 on certain aspects of electronic commerce services and of services related to the information society (hereinafter referred to as ECSA), providing online social space to the users of the site. The Operator does not load content to the page, only provides the social site, content is provided to the Users by the Users. The main purpose of the social site is to enable Users to share certain moments with one another.

The adult entertainment available on the site is provided by male and female persons to themselves and to the members of the social site from all over the world; they upload photos and videos about certain moments of their everyday life, they write comments, and they send photos and videos to other users of the site, with whom they can exchange private messages online, through the social site. Certain Users provide live webcam performances in front of their camera, to users from all over the world.

What contents cannot be uploaded to the site?

Content prohibited by the Terms and Conditions are not allowed on the social site. Such content will be deleted immediately. If a user detects prohibited content, they shall report it to the Operator immediately, using its electronic contact information. The Operator monitors the social site continuously to ensure no prohibited content is uploaded, but the Operator is not responsible for the actions and information provided by the Uploaders, and the monitoring activity performed by the Operator is not mandatory.

Is it really free to visit the social site?

Yes, and you don't even need to sign up. Enter the site by clicking on the "Register later, just browsing" button, and you can start enjoying the content and decide if it is worth signing up. It surely will be! Some services on the website are free, some are available for a fee. Pay services are only available to registered Users.

Is registration really free?

Yes, both for Users and Uploaders. As a User you only have to give a name you make up, an e-mail address and a password.

I forgot my password. What do I do?

There is a "Forgotten password" button on the login page for you.

Why do I need to give my personal data as an Uploader?

In the course of its activities, the Operator takes considerable security measures to protect data from unauthorized access, modification, disclosure and destruction. Your personal data are secure, they are necessary for the operation of the site. As a User, your data are only needed for identification, and your password protects your account from unauthorized access. The Operator does not disclose, sell or rent your personal data to third parties. As an Uploader, through the intermediary service of the Operator, you can earn money while your personal data are protected.

Your registered data are necessary for bank transfers; if any detail is changed, change it in your user account immediately.

As an Uploader, why do I need a photo of my ID?

Mysextinglive.com condemns any and all offences against minors. In case of the slightest suspicion, the Operator suspends the access of the users concerned immediately and permanently, and notifies the competent authorities. The Photo is a security measure that verifies that the person uploading it is over 18 years of age at the time the photo, video, live broadcast or other visual media is produced and published. Please note that when you upload you cannot even create the appearance of being a minor; if such contents appear, your account will be deleted.

What can I do on the site as a User?

You can decide how you would like to use the site. You may decide to only browse the content shared by the Uploaders: for this you have to click on the “Follow” button on the profile of the Uploader of your choice. Or if you feel brave enough, you can get to know people and have fun on the site.

What is All in following?

If you are interested in all Uploaders but you don't want to click on the “Follow” button at every Uploader and choose the duration of following, you can choose All in following - with this function you can follow every Uploader for a week.

I really like an uploaded profile picture, how can I contact someone on the site?

By clicking on any profile picture, you can send a private message to the person you have chosen: just click on the envelope at the profile picture. Other Users cannot see the content of private messages.

How can I request a private photo from someone?

Another way to contact someone is to request a private photo/video, for this you have to click on the lock icon. When requesting a private photo/video, you can write the other person what kind of content you would like to receive; if you leave this field empty, the person you selected will send you a photo/video of their choice.

I don't like the photo/video I received, can you refund the credits I spent?

No, unfortunately we can't. The Operator is just an intermediary operating the site, this ensures that messages do remain private.

How do I know if I received private content?

Whenever you receive content, MySextingLive.com immediately sends an email to your email account. You can disable this any time in the My Data menu, if you leave the box by the text “send me email notification” empty. Even without email notification, on the website a small number shows the number of incoming new contents, and if you click on it, you can access the content. Photos/videos are automatically deleted 30 days after viewing.

I requested a photo but I haven't received any.

Uploaders have 5 days to comply with your request. After 5 days, if you haven't received the content, we refund the credits you spent without any prior notice.

I really liked the content the Uploader sent, what can I do to please them?

You can send credits as a gift to the Uploader by clicking on the icon of the Uploader's profile. You can decide how many credits you want to send, and you need your password to confirm the transaction. No matter how many credits you send, it will surely make the Uploader happy that you appreciate them so much.

As an Uploader can I decline a request?

Naturally you can, it is up to You and You only what kind of request you send content to. Mysextinglive.com is a game for adults, never comply with a request that doesn't give you pleasure or that you would later regret. When you decline a request, no credit will be deducted from the User and none will be credited to your account.

How can I purchase credits?

You can purchase credit packages with the shortcut button at the top of the site, or by clicking on the "Credit Recharge" button in the "My Balance" menu. You should consider buying a larger credit package, as in terms of value for money, larger packages are more worthwhile. Mysextinglive.com condemns any misleading methods of revenue generation; our aim is that our Users should have fun at the site, thus we do not use automatic recharge. You can decide how much you want to spend on the site, there are no hidden costs, and prices are indicated everywhere in credits. When you purchase credits, you are only charged for the credit package you have confirmed with your password. Security is important for us, but if you do not want to give your credit card details and you have a PayPal account, you can use that for payments, all you need for this is an email address.

I am a User, can I convert the remaining credits back to cash?

Our team is continuously working to improve user experience on our site. The site contains services that are free and services for which you have to pay with credits. Our site has been devised in such a way that as a User you can enjoy it even if you only use free services. This means you have the opportunity to try the site first, without registration. But if the site has enthralled you and you decide to buy credits, you cannot convert credits you have already purchased back to cash, you have to use them on the site.

I purchased credits. Do I get an invoice? What is written on the invoice?

Discretion is very important for us. When you purchase credits, we send an electronic invoice to the e-mail address you provided, which includes the amount you paid in euros, and in the subject field only the word "Credit" is indicated. The issuer of the invoice is Myname Social Media Kft. Neither the address of the site nor the word "mysextinglive" appears on the invoice.

I have signed up as a User, but I really like the site and I would like to become an Uploader.

One click, and you can make your dreams come true. Click on the "My Data" field, and check the field "I want to be an Uploader": After that the registration page appears, which is mandatory for Uploaders to fill in. Once you have filled it in, you can post immediately.

How can I earn money on the site?

Mysextinglive.com is an interactive game, where the main goal is that everyone should have fun on the site. In addition to being entertaining, the site offers a good opportunity for Uploaders to earn

money. The Operator operates the website as an intermediary, which means credits spent on pay services are credited to the account of those who uploaded the content of the pay service. Uploaders are entitled to redeem the credits shown in their balance. The site has been created in such a way that it is transparent for both Users and Uploaders, and there are no hidden costs. We credit your account for every follower you have, for your private messages and when you send photos or videos. You can check and redeem your credit balance anytime. By clicking on the “Credit redeem” button, you can decide how many credits you want to redeem and when. Use the cursor to set the amount of credits you want to redeem, and you will see the value of these credits in euros. This is the amount we will transfer to your account.

Please note, that you can only redeem credits in the value of EUR 100 or more.

The system of the website issues a credit redeeming note about the credits redeemed, which Uploaders can download and print from the “Credit Documents” menu in their user account any time, and can include in their tax return. Don’t forget! Uploaders pay any taxes due themselves, in the country of their residence, according to the laws of that country.

How can I earn more money as an Uploader?

You are beautiful, but for others to see that, you have to stand out from the crowd. This is why we created pay fields for your Profile on the site, by which you can get your profile picture to the top of the list or enlarge it to twice the size.

How can I show my profile on another social media sites?

You can use the system to notify your friends on other social media sites about your Uploader account, using your own name and e-mail address. As an Uploader, when you have completed your profile and profile picture, click on the “Share” button to send the url of your profile. We devised this to make it easy for you to share, so that you can reach as many friends as possible with the content of your new account. On this page you can choose the platform where you want to share. Don’t forget! The more people see you, the more money you can make.

I’m an Uploader, how can I protect the proprietary content I have uploaded?

We have arranged this for you. To prevent the abuse of the content you upload, the logo of mysextinglive.com is placed as a watermark on every content.

I really like the uploaded photos, how can I rate them?

There are two small icons below every uploaded content, a heart and a bubble. You can show you like the content by clicking on the heart, and if you click on the bubble you can comment on it, using the stickers we have created.

I have received a promotional coupon, how can I redeem it on the site?

First of all you need to sign up on the site. You can enter the code of your coupon when you sign up, or, if you have already signed up, when you log in. Once you have logged in, we credit your account with the amount on the coupon, which you can check by clicking on the balance field.

I am a User and I have follower(s), but I received no credits for being followed, have I done something wrong?

No. When promotional coupons are redeemed, they are not credited to Uploaders.

I am an Uploader, and the amount due on the credits I redeemed and the amount I received are not the same. How is this possible?

The price paid for credit packages and the value of credits when they are redeemed depend on the geographic location where the User account was created, and the account charges and currency exchange conditions of the User's bank. Mysextinglive.com does not exchange foreign currency as part of its service, but is entitled to round prices. You can decrease transaction costs by opening a euro account. Bank charges are paid by Users, who should get information from their banks.

Have fun! the mysextinglive.com team
